Signature Wellness Programs

- The Rest + Well Blueprint is not a program, not a single class and not a special offering, but a way of life for sleep wellness. A Blueprint that includes tips, resources and amenities to help guests find their Rest+Well bliss on their own terms within their own lifestyle.
- Forest Bathing- The Lodge at Woodloch offers a [Forest Bathing exploration class every week](#). The regularly scheduled class will take guided walks deep into the forest on the 500+ private acres at The Lodge. The walks are slow, contemplative, and deliberate and will focus on keeping the body and mind in the present while teaching techniques for deep breathing and mind-body awareness, as well as taking note of the little miracles of the forest.
- Lotus Labyrinth- The labyrinth is a walking meditation and a path of prayer where psyche meets spirit. It has only one path that leads from the outer edge in a circuitous way to the center. There are no tricks to it and no dead ends. Unlike a maze where one might lose their way, the labyrinth is a spiritual tool that can help guests find their way.
